COMMANDER
SERIES

BOAT TRAILERS

DURABLE.

All Commander Series Trailers are built for the long haul. They're engineered with the finest materials and include vortex hubs, which include a 100,000 mile/6-year warranty. This line of trailers will withstand the toughest demands to and from the water's edge.

FIRST CLASS.

Exceptional quality, sleek design, and premium performance separate a Commander Series trailer from the rest. They boast advanced features for superior functionality to ensure a smooth ride and easy loading and unloading.

THE NEW STANDARD.

With premium features included in every model, nothing about Commander Series trailers is "standard." We know the trailer features that experienced boaters want, and we included all of them in each Commander Series model.

FEATURES

VORTEX HUBS

100,000 mile/6-year warranty

ALUMINUM SPORT RIMS

TARGET BUNKS

Features not pictured: Composite Brakeline, Disc brakes, Aluminum Crossmembers, Dual or Triple Brakes where applicable

UPGRADE OPTION

Maximize your trailer's potential with the Commander Series upgrade options:

- ▶ Stainless Steel Hardware

TREDIT ADVANTAGE PROGRAM

Each Commander Series trailer comes with the Tredit Advantage Program, which includes:

- ▶ TIRE CHANGE
24-hour tire roadside assistance.
- ▶ TOWING
Get hitched, towed and back on the road.
- ▶ CAR LOCKOUT
You're a few clicks away from fast, reliable unlocking service.
- ▶ JUMP START
Get that "spark" you need to get back on the road..
- ▶ GAS DELIVERY
We will bring enough fuel to help you make it to your next stop.
- ▶ KEY REPLACEMENT
We will get you back on the road with our key replacement service.
